

4240 ARCHITECTURE PROMOTES SENIOR ASSOCIATES AND ASSOCIATES, CONTINUES STRONG TRADITION OF EXCELLENCE AND PERFORMANCE

New Senior Associates T.J. Carvis and Steve Roberts advance to positions of recognition, show leadership and responsibility on large-scale, complex projects.

Denver, CO, October 2007 – **4240 Architecture Inc.** – an award-winning architecture, interior, and urban planning firm with offices in Denver and Chicago – announces the advancement of two Senior Associates and five Associates in its Denver office.

“Our new associates and senior associates have demonstrated exceptional performance and excellence in leadership,” states 4240 Architecture President Peter H. Dominick, Jr., FAIA. “We are extremely proud of the professionals whose skills and character have contributed to our success. We are confident they will continue to uphold the high standards to which 4240 is committed.”

4240 Architecture’s reputation as a leading national design firm has been solidified by its reception of numerous professional association and industry awards. It specializes in resort architecture, new community planning, high-end residential work, and sustainable development. The firm’s client list includes Vail Resort Development Company, St. Joe Company, Forest City Enterprises, Shea Homes, East West Partners, Hammes Company, and Hamilton Partners.

Thaddius J. Carvis, LEED AP, Senior Associate

T.J. started his career with 4240 while attending the University of Colorado, Denver to complete a Master of Architecture degree. At 4240, T.J. has collaborated on the Disney Grand California Hotel, the St. Julien Hotel, and the RiverCamps at Crooked Creek. He is currently working on completing The Park, his third multi-family residential complex at Riverfront Park. Before receiving his Master of Architecture, T.J. attended the University of Colorado at Boulder where he earned a Bachelor of Arts in Economics and a Bachelor of Science in Business Administration.

Steve Roberts, AIA, Senior Associate

Since joining 4240 Architecture, Steve has participated on the Vail Front Door project and is currently working as one of two Project Managers on The ArraBelle at Vail Square, a 600,000 sf urban redevelopment that includes a hotel, luxury condominiums, retail space, and parking. Past notable projects include various institutional and educational projects in Denver and Chicago. Steve received a Bachelor of Architecture from the University of Illinois, Urbana and a Master of Architecture from the University of Illinois, Chicago.

Eric Anderson, AIA, Associate

Eric joined 4240 Architecture in 2006 as Senior Designer/Project Manager for the Disney Grand Californian Vacation Club Expansion in Anaheim, CA. Eric has also worked extensively on resorts, mixed-use projects, and high-end residential complexes. Eric received a Bachelor of Science in Architecture from Ohio State University and a Master of Architecture from Columbia University.

Tarek Mneimneh, Associate

Tarek has been with 4240 and the firm's former incarnation [Urban Design Group] since 1999. During this time he has collaborated on the Event Center at Cheyenne Mountain State Park, Zengo Restaurant at the Park Place Lofts at Riverfront Park, and the Gore Creek Condominiums. He is currently the on-site construction administrator of The ArraBelle at Vail Square. Tarek received a Bachelor of Architectural Engineering from Beirut Arab University and a Master of Architecture from the University of Colorado, Denver.

Jason Ringdahl, Associate

Jason is currently working on Marabou, a resort community in Steamboat Springs and Vail Front Door, a new gateway to Vail's ski mountain. At 4240, Jason worked on various hospitality projects and has contributed to the Mail Kiosk in the WaterColor Development, a new residential community in Florida. Jason received his Bachelor of Architecture from North Dakota State University.

Bob Scholten, Associate

Bob has been an architectural illustrator for 30 years. He has collaborated extensively with 4240 and, before that, when the firm was part of Urban Design Group, and illustrated major projects over the course of the past 20 years. Bob has also composed pen and ink drawings and watercolors for such clients as Disney and George Lucas. Bob joined 4240 full-time last year and is currently illustrating projects in Colorado and Hawaii.

Dave Sunkel, Associate

Dave's contributions to 4240 Architecture have brought a large variety of project types to successful completion. He is currently the project architect for Snowmass Base Village. He has worked on the St. Julien Hotel in Boulder and East 29th Avenue Town Center in Denver. Dave received a Bachelor of Arts from the University of California Santa Barbara and a Master of Architecture from Virginia Tech.
